Cousin extremely ill - I nursed her day and night, and left her a little better, but have heard since that she is very low - and little chance for her recovery -
I left Waverly this evening and got Anna Telighman to come home with me - Who is now sitting on one side and Blanchard on the other both observing baskets of love - Wm Telighman was extremely sick when we left - with an attack of dyspepsia, he is in very bad health
your Sister Wde - her Children are lovely - her boy one of the noblest looking Children I ever saw - The County is literaley deserted, those who are left, are healthy - ole in this neighbourhood have gone except Myself and Wm Emery's family - John and Wr M are to be back on Monday - I expect to leave on Monday week, and go as far as Philad with Blanchard on his way to College - I shall take Mariana with me, and expect to be gone 2 or 3 weeks - - - I think it strange that you have not received My letter and Anna Telighman's when you wrote - - - You will be surprised to hear of Mary Dalton's Marriage. the young gentleman is a German he is in business in Baltimore, in partnership with one of the first Merchants there - her Father kicked up a great deal, and vowed she should not have him but she was determined she <u>would</u>, so the old Man made a virtue of necessity - consented and permitted them to be married in his house - they went off
