My Dear Sir.

I congratulate you on the Issue of our Election just closed. our Friends here expressed Uneasiness about the Returns in one of your Election Districts. and apprehended no good will result from it. was a majority of the judges in that District friendly to the administration. If so. I do not respectfully recommend that the three Gentlemen Elected. by the defect in that Return. resign their Seats Immediately. and be proclaim it thro the Public Prints. You are known on the spot acquainted no doubt with all the circumstances. and can best judge. We shall have a hard run in this district. but I think we shall Elect our Electors. the other districts are safe.

Very Truly Dear Sir

Your Friend & Ser.
