Col: Thomas Emory.

Dr Sir. I had the plea-
sure a few days since at the cattle show
to purchase from you a couple of Dishley
Bucks, and as I think well of the
breed should be glad to get 10 - or 20
Ewe lambs of the same, - will you
do me the favour to inform me wheth-
er you have any to dispose of, and if
so, on what terms you would deliver
me 10 - or 20. at this place. In case
of a purchase I should expect first
rate animals of their kind.

I am Sir, Your ob Servt
