I am in hopes I shall be able to leave home this winter & spend a few days with you be at Annapolis during the Session of your Legislature & If I do shall probably go into Virginia & at least look for a fine Blood Breeding Mare & If as few good Lots can be bought low may buy them - It is not certain that it will be possible for me to leave my business long enough to go as far as I wish

I am Dear Sir Your Friend
& obd't Serv't Henry Walton

Hon. Thos. Emory

P.S. I send p. Mail the Con. Courant containing the reports of our Agricultural Committee & you will see my Farm was Viewed.
