Col. Thos Emory

Dear Sir

The notice for the note discounted at the Franklin Bank for 200 $ has just been got in Mr Hawkins says he will get the Board to renew it once more for 90 days and you can send over your note in his favor & I will endorse it with him as before — Business is very dull a Harbor now closed by Ice. last sales of Corn at 45 Cents no late sales of wheat — Flour $7 3/4 for Howard Street 7 1/2 $ I am inclined to think Bread stuffs are as high as it will be & probably decline a little —

With much esteem
Yours
Geo Williams
