the Mutton here is so indifferent that I will
thank you to direct Dere to reserve me one
or two of the best against I come home
& I will have them butchered & brought
along with me — There will still be
enough to allow one to be killed every
ten days for your purposes.

I enclose 5$ subscribing you may be in
want of the little money before I get home
Give my love to all kiss the children
for me & believe me affectionately

& Truly yrs
Thos. Emory

I shall like Sally to come along if the weather
& every thing permit when I return.
Be sure to write yr. & Thomas both every
week.
