Mayor's Office,
Baltimore, April 4th, 1838.

Gentlemen of the First Branch of the City Council:

I have approved and signed a "resolution on the account of Francis S. Callum" which originated in your Branch.

Respectfully,
Your obedt. Servant,
S. Smith, Mayor.

Mr. Smith from the Committee, submitted the following, which was read a first and by special order the second time.

The Joint Committee on Fire Companies to whom was referred, the memorial of the Vigilant Fire Company, asking for a special appropriation for the purpose of procuring a new Engine, have had the same under consideration, and are of opinion that inasmuch as their Engine is worn out and unfit for use, having been in service for more than Thirty-five years, and that the Members of the Company, with the addition of contributions collected from their friends pledge themselves to raise one-half the cost of said Engine, the Corporation ought to encourage their exertions by giving them part of the means for the above purpose we therefore beg leave to offer the following resolution.

Alexander Smith, Joshua Atkinson, } Committee of the First Branch.
S. Stuart, Walter Ball, } Committee of the Second Branch.
