J. Wesley Watkins, } Committee,
R. J. Cross, } of the
Sam. D. Legrand, } First Branch,
F. Lucas, Jr., } Committee
M. Klinefelter, } of the
Walter Ball, } Second Branch,

Mr. Smith from the Committee submitted the following, which was read a first, and by special order the second time, concurred in, and sent to the Second Branch, who returned the same endorsed 'concurred in'.

The Joint Committee on Fire Companies to whom was referred the petition of Messrs. Wm. H. Walton and others, recommending to the consideration of the Mayor and City Council the fire engine pump invented by Mr. Joseph Newman, and to have as many pumps attached as they may deem necessary, under the direction of the Fire department, &c, have had the same under consideration, and think well of Mr. Newman's fire engine pump, but the present session of the Council being so near its close that the committee would not have time to ascertain where such improvements would be most wanting; they deem it advisable not to legislate on the subject, and recommend that it be referred to the next annual session of the Council. Respectfully submitted with the following resolution.

Alexander Smith, } Committee of the
Joshua Atkinson, } First Branch.
D. Stuart, } Committee of the
Walter Ball, } Second Branch.

Resolved, That the Committee be discharged from the further consideration of the subject, and that it be referred to the next annual session of the Council.

A message was received from the Second branch proposing that when the Councils adjourn this evening they adjourn until Monday next; this branch assented, and informed the Second branch thereof by message.

The resolution on the petition of James Mullen and J. Dukes was read the second time, concurred in, and sent to the Second branch, who also concurred in and returned the same.

The Second branch returned the resolution reported by the Committee of conference on the subject of the improvement and extension of the Lexington Market, endorsed "dissented from".
