The Joint Committee on Bridges to whom was referred the petition of Caleb Goodwin and others relative to a foot Bridge over Jones' Falls where crossed by Welk Street, have had the same under consideration, and after mature deliberation have determined that the prayer of the petitioners is reasonable & ought to be granted; to accomplish which object they would beg leave to offer the following resolution.

All of which is respectfully submitted.

Aug. Mathiot, Daniel Metzger, Henry Snyder, } Committee of the First Branch.
Samuel Boyd, William J. Wright } Committee of the Second Branch.

Resolved by the Mayor and City Council of Baltimore, That the City Commissioners be and they are hereby directed to have a foot Bridge built over Jones' Falls at its junction with Welk Street, and that they draw upon the Register, with the approbation of the Mayor, for the sum of One Thousand dollars, a so much thereof as may be necessary, to carry into effect the object of the above resolution, to be taken out of any unappropriated money in the Treasury.

Mr. Watkins from the Committee, submitted the following report and a Bill entitled "An Ordinance to change the location of Hamburgh Street, from Williams Street to Covington Street," which was read a first time.

The Joint Committee on Streets to whom was referred the petition of Benedict J. Sandus and others, together with a Law of the Legislature of Maryland, passed at the present Session of the same, authorising the Mayor and City Council of Baltimore to change the location of Hamburgh Street, between William Street and Covington Street, in such manner as they may deem advisable, have had the subject under consideration, and consider that the proposed alteration of the location of said Street would be a great benefit to the property holders in the vicinity of the Street, because of the number of houses now erected on the proposed altered line, which would be taken down if the Street was continued in accordance with the plat of the City — they therefore ask permission to submit the following Ordinance.

(J. Wesley Watkins.)

J. Wesley Watkins, Henry Snyder, Geo. P. Knotts, } Committee of the First Branch.
William J. Wright, Samuel Boyd, Joseph Hooper Jr., } Committee of the Second Branch.

The resolution from the Second Branch relative to walling a part of Harford Run, was read the second time, and on motion of Mr. Watkins laid on the table.

The resolution relative to furnishing original documents to printers, &c., was read the second time. — Mr. Pindell called for the previous question which being sustained, and the main question put, the resolution, the resolution was decided from by the following vote.

The Joint Committee on Police to whom was referred the Resolution to enquire into the expediency of Memorializing the Legislature of Maryland to enact further provisions for protecting purchasers of fire wood from imposition in regard to the admeasurement of the same when brought in Vessels or in Wagons and Carts from the County, have had the same under consideration, and are of the opinion that the subject is one that would come with more propriety in the shape of memorials to the Legislature from the people themselves — The Committee therefore beg leave to report the following resolution.

Daniel P. Barnard, Joseph Brown, George P. Knotts, } Committee of the First Branch.
