Whereas the following Card has been published in the Daily papers of the City, viz:

The undersigned respectfully asks for a suspension of public opinion in relation to the vote of censure passed by the First Branch of the City Council, for a few days, when he will shew that it was conceived in malignity, and matured in the most disgraceful ignorance that ever characterized any legislative Body under any Government from the days of Caligula down to the present time. The facts of the case will afford the finest hybridous specimen of Whig – locofocoism extant, which at one fell swoop would involve in common ruin the Constitution, Law, Justice and Rights of the Representatives of the people.

Philip Wallis.

A member of the City Council from the 7th Ward.

Be it unanimously Resolved by the First Branch of the City
