Full Directions accompany each package.

Price 25 Cents.

☞ *The Public are cautioned against any similar preparations. Only CLOTWORTHY & CO.'S are genuine.*

The annexed are a few of the certificates we have received in proof of the great value and efficacy of the Poulterers' Friend:

CARROLLTON, Baltimore County, Md, December 16th, 1867.

Messrs. Clotworthy & Co.,—Gentlemen: I have used your "Poulterers' Friend" upon a brood of young chickens that had the gapes, and am happy to say, that by the use of a few doses they were entirely cured. It will certainly cure the gapes when used according to directions. Yours, &c., GEO. HARMAN.

ANNAPOLIS, MD., February 7, 1868.

Messrs. Clotworthy & Co.,—Gents: I have sold all the "Poulterers' Friend" I received from you last August. The poultry in the surrounding country was dying very fast with "Cholera." I recommended your "Poulterers' Friend," and as far as I could learn, it has proved a cure for the disease.

Respectfully, W. R. GOODMAN.

BALTIMORE, February 2d, 1868.

Messrs. Clotworthy & Co.:—My chickens were dying very fast with what my neighbors called "Chicken Cholera." I was induced to try your "Poulterers' Friend," and it worked like a charm. I gave it as directed, and it cured those that were then sick, and I have not seen any symptoms of the disease since.

Yours, &c., B. MECKEN,
Cross and Warner streets.

Jefferson, Frederick Co., Md., July 22, '67.

Messrs. Clotworthy & Co., Baltimore.—*Gent.:* The wonderful cures which have been made by your Poulterer's Friend, cannot fail to interest all who raise poultry. A gentleman of this village has been experimenting on chickens with the gapes. He tried your Poulterer's Friend, according to the directions, and it had the desired effect in removing the worm, effectually relieving the chicken at once. Since then I have had many calls for it, and it has been used extensively with the same result. It is of incalculable value to all who raise Poultry. Respectfully, A. SPENCER.

Churning Made Easy.

Good Fresh Butter all the year round!

Farmers Attend!

Save Time! Save Labor! Save Money!

By using Tomlinson & Co.'s (Lincoln, England) Celebrated Butter Powder. By the use of this inexpensive Powder, churning of hours is reduced to minutes, and is applicable to the making of butter at all seasons of the year. A small quantity added to the milk or cream at the time of churning will produce Butter in much less time, in larger quantity, and of a superior quality, flavor and consistency.

It removes the unpleasant flavor caused by the cows feeding on turnips, garlic, weeds, &c.; and prevents all rancidity peculiar to butter; also makes it firmer and sweeter, even in the hottest weather.

This Powder, now being introduced into this country, has long been in use throughout Europe and the Canadas, and Butter made with it has invariably taken the prize at all Agricultural Shows, whenever exhibited.

Price 25 cts. and 50 cts. per box. Sold by all respectable Druggists and Store keepers throughout the country.

Pacific Guano Company's
(*CAPITAL* $1,000,000,)
SOLUBLE
PACIFIC GUANO!

THE VALUE of this Guano is now so well known and appreciated, that it does not require further commendation from us.

The Company owns the Guano Islands, and other sources of supply from which its raw material is drawn. Hence, this Guano, possessing such high excellence, can be brought into market at a price not exceeding that of the ordinary Super-Phosphates of Lime.

The large capital invested by this Company affords the surest guarantee of the continued excellence of their fertilizer, as the safety of their capital depends upon continued and permanent business.

Experience has shown that this Guano ripens the Wheat crop from five to six days earlier than the Super-Phosphates.

It is the policy and purpose of the Company to furnish the best fertilizer that enterprize and capital, aided by the best scientific ability, can bring into market, at the lowest possible cost to consumers.
