First Branch
Samuel Boyd, W. J. Wright, John L. Reese, Committee of the Second Branch.

Resolved, that the committee be discharged from the further consideration of the subject.

Mr Russell offered the following resolution, which was read a first and by special order a second time and adopted.

Resolved by the First Branch of the City Council, that the City Commissioners be required to report to this branch, the cost of a new wood fence, similar to the one now in front of Calvert street Spring, and also, what would be the cost of a fence with brick base, capped with granite and cast iron railing.

The Second Branch returned the report of the joint committee on education, relative to additional school houses. — and the report of the joint committee on markets, on the petition of B. Coyle and others and W. Cocks and others, severally endorsed, "concurred in."

Mr Breck called up the bill entitled, "A further supplement to an ordinance, entitled, An ordinance regulating the riding and driving of carriages, and to regulate boats and scows in the City of Baltimore and for other purposes."

Mr Staylor moved to strike out the enacting clause, which was determined in the affirmative.

Mr Hudson from the committee, submitted the following report, which was read a first and by special order a second time and adopted.

The joint committee on the harbor, to whom was referred the resolution relative to placing rails on Harford Run, submit the following report. That they have had the matter under consideration and are of opinion that Harford Run, in its present condition, is exceedingly dangerous, and that it is due to the citizens of that section of the city that such security should be given them; therefore offer the following resolution:

Wm Hudson
Wm S. Browning
Hugh A. Cooper
Committee of the First Branch
Henry R. Lauderman
Samuel Barnes
Samuel Boyd
Committee of the Second Branch.

Resolved by the Mayor and City Council of Baltimore that the City Commissioners and Port Wardens be, and they are hereby authorised and required to have a wooden rail placed on each side of Harford Run from Orleans street bridge to Milk street bridge, and the sum of nine hundred dollars is hereby appropriated to carry this resolution into effect, to be paid out of any money in the treasury not otherwise appropriated.

Mr Dallam from the committee, submitted the following report, which was read a first and by special order a second time and adopted:

The joint committee on markets, to whom was referred the petition of Lenly Augustus and others, praying the Mayor and City Council to make an appropriation to place sheds at the south end of the upper Centre Market, have had the same under consideration, and inasmuch as the committee have already reported upon the same subject, presented to them in a different form, and not having changed their views upon the subject, beg leave to refer the Council to said report of the 17th day of February, and now ask to be discharged from the further consideration of the subject.

F. S. Dallam
George Suter
J. W. Croney
Committee of the First Branch
Hugh Bolton
Michael Caughey
Francis Forman
Committee of the Second Branch

Resolved That the committee on markets be discharged from the further consideration of the petition of Mr Lenly Augustus and others.

Mr Dallam called for the second reading of the resolution attached to the report of the joint committee on markets, relative to the erection of sheds at the southwest and southeast corners of the upper Centre Market.

The resolution was adopted.

Mr Browning called up the bill entitled "A supplement to an ordinance entitled an ordinance for the measurement of charcoal."

Mr Browning moved to fill the blank in the section section with
