City Commissioners' Office
Baltimore, March 12. 1845.

To the President and Members of the
First Branch of the City Council

Gentlemen.

The City Commissioners have the honor, respectfully to report the following estimate of the cost of repairing the wharf on the South side of the back basin, (as called for by resolution, adopted by your branch on the 28th January last) viz:
For repairing the wharf, south side of the back basin $4.000.
The above estimate includes 400 feet of capping on the Western end of the wharf.
The wharf may be temporarily repaired for the sum of $1200.

Respectfully
Your Obed't Servants
Richard C. Murray
A R Blakeney
Talbot Gosnell
City Commissioners

The President from the committee submitted the following report, accompanied with a bill, entitled "An ordinance for regulating the price and assize of bread," which was read and laid on the table.

The joint committee on police, to whom was referred the memorial of F. Nunnsen, desiring that an ordinance might be passed providing for the establishment of an assize of bread, have had the same under consideration, and upon mature deliberation, founded upon the best information within their reach, they have prepared the accompanying bill, the passage of which they respectfully recommend.

Mr Browning presented a memorial from John Reilly, relative to a certificate of City Stock, which was read and referred to the joint committee on police.

Mr Beck

Mr Beck presented a petition from William Lusby and others, owners of property on Grant Street, asking relief from certain grievances which was read and referred to the joint committee on Streets.

Mr Brown called up the communication from the Register relative to the three million subscription to the Baltimore and Ohio Railroad Company.

On motion of Mr Brown, it was referred to the joint committee on claims.

The following communication was received from the City Commissioners, read and laid on the table.

City Commissioners' Office
Baltimore, March 12. 1845.

To the President and Members of the
First Branch of the City Council.

Gentlemen.

The City Commissioners, in accordance with the resolution adopted by your Branch, the 28th February, respectfully report the following estimate, viz:
For the cost of grading and paving with bricks, the footways around Franklin Square on Fayette, Calhoun, Lexington and Carey Streets, $1.980.
An additional sum of $500 would be required for the purpose of raising and lowering the fence around the square, and grading the enclosure to suit the grade of the several streets.

Respectfully
Your obed't Serv'ts
