The following communication was received from the city commissioners, read and referred to the joint committee on water:

City Commissioners' Office,
Baltimore, March 21, 1845.

To the President and Members of the
First Branch City Council:

Gentlemen

We have the honor to acknowledge the receipt of a resolution from your branch, requesting us to inform you, what would be the cost "of a new wood fence, similar to the one now in front of Calvert Street Spring, and also what would be the cost of a fence with brick base, capped with granite and cast Iron railing" and in answer thereto, the city commissioners respectfully report the following estimate, viz:

For cost of wooden fence in front of Calvert Street Spring, (similar to the present one) $150.00.

The cost of constructing a fence in front of Calvert street Spring to have a brick base, capped with granite and cast iron railing, $675.

with the highest respect,
your Obed't Servt's
