THE BUTTERFIELD RESIGNATION, INVESTIGATION AND COURT-MARTIAL QUESTION.—It is now an ascertained fact that General Butterfield has resigned his position as assistant treasurer of the United States at New York, in order, as is stated, to simplify the question of an investigation into the charges made by certain parties of his complicity in the late gold pool. The resignation was received in Washington Wednesday and accepted, to take effect as soon as a successor can be appointed. The New York Herald says:

"General Butterfield had requested a military court of inquiry but the Secretary of the Treasury having assigned instead the treasury solicitor to make the investigation, we presume that General Butterfield resolved to cut the matter short by a resignation. Thus relieved of his civil office, his request, as an officer of the army, for a military court can hardly be denied him, inasmuch as his reputation in the army is at stake. He has acted wisely in relieving the President at once of any embarassment in the matter by resigning his post. But as the interests of the public still require a searching investigation into all the mysteries of this late gold pool, we presume that the military court asked for will be ordered with the proclamation of a new sub-treasurer."

The New York Post, in a strong article on the assistant treasurer, alludes to the charges against him of speculation in stocks and says:

"Granting that General Butterfield had nothing to do with the gold ring, yet we have not anywhere seen the charge denied that he speculated in stocks while he was sub-treasurer."

A Washington dispatch to the Sun says:

It appears that the resignation of General Butterfield, assistant treasurer, was the result of information conveyed to him officially, though in the form of a confidential communication, that both the President and Secretary Boutwell desired that Gen. Butterfield withdraw, and accompanied with the verbal intimation that if the resignation was not immediately forthcoming, a removal and appointment would take place instanter.

In this course the President and Secretary were not determined by the question of the absolute guilt or innocence of Gen. Butterfield upon the charges preferred against him, but it was deemed impolitic to permit one against whom suspicion had settled to hold an office of such important trusts until the slow and uncertain process of official investigation should be completed. The selection of Gen. Butterfield's successor has ben difficult of determination. The administration prefers for the position a solid business man, entirely removed from financial circles, but such a one would be almost certain to refuse the office, because of its pecutiar and immense responsibilities, the incumbent having to give security in $400,000 for his own faithful performance of official duties, besides being held responsible for the acts of his clerks and deputies, the loss by taking counterfeit bonds or money, etc.

THE DEATH OF COL. LEMUEL ROBERTS.—The *Crumptonian*, published within a few miles of where Col. Roberts was found, gives the following account of his death:

On Wednesday morning he went to Chestertown to transact some business, and passed through Crumpton on his way home at about 6½ o'clock in the evening. A short time after his horse and carriage were found standing to a fence, near the school house, north of Pondtown. Supposing something wrong, search was made, and the unfortunate gentleman was found on the roadside, some fifty yards north, rolled in a buffalo robe, in an insensible condition. He was put in his carriage and conveyed home, when such restoratives as the family could apply were made use of until the arrival of Dr. Finley and Wallis, who did all their medical skill could suggest, but their efforts were in vain. He had evidently been taken sick in his carriage, got out, wrapped his buffalo robe around him and laid down. It was first thought he had been thrown from his carriage by its coming in contact with a stump, but this is a mistake, as there were no injuries on him such as being thrown from a carriage would be sure to inflict.

The deceased was a native of Queen Anne's county, in the 67th year of his age, a widower, but leaves a family of four—two sons and two daughters. He was buried with Masonic honors on Saturday.

BOLD ESCAPE.—James Haggery, charged with complicity in the famous Brooks assault case at Philadelphia, made his escape on Saturday under circumstances of a peculiar character. He was driven to the court-house in the prison van, and just as he was getting out a large crowd present raised a cry of fire. Taking advantage of the excitement, Haggery rushed across the street and darted into the American Hotel restaurant, from whence he passed rapidly down into the bath-room, and then out into Minor street, where he was lost sight of and made his escape. Officers who pursued Haggery from the court-house encountered another crowd in front of the American Hotel, who had got up a pretended fight, and thus their progress was greatly impeded. But little hopes of a recapture of the fugitive are entertained.

MURDER TRIAL IN SOMERSET COUNTY.—The trial of John K. Shores for the murder of William Wheatly, in May last, commenced in the Somerset County Court, at Princess Anne, Md., on the 15th inst., The evidence as to the homicide was clear and positive, but was not so clear as to be premeditation. The counsel for the defense set up the common plea of insanity. The trial occupied all of Saturday, Monday and Tuesday, and was concluded late in the afternoon of Wednesday of last week. The jury rendered a verdict of murder in the second degree. The prisoner was sentenced to confinement in the penitentiary for six years.

THE POWER OF CONSCIENCE.—The total amount of money received by the Treasury Department up to date, and credited to the conscience fund, is $113,991,81. Gen. Spinner will recommend that this amount be credited to the general sinking fund. It is gratifying to see that there is yet $113,991 worth of conscience left in the country.

DECISION IN THE YERGER HABEAS CORPUS.—In the United States supreme Court, on Monday, Chief Justice Chase delivered the opinion of the court upon the question of jurisdiction in the case of E. M. Yerger, tried in Mississippi for murder by military commission, deciding that this court had jurisdiction in the case, and would hear arguments upon the petition of Yerger for writs of habeas corpus and certiorari. Associate Justice Miller dissented. A special dispatch from Washington says:

The opinion of the Supreme Court in the Yerger case, rendered to-day, is regarded by the radicals as a fatal blow at the reconstruction acts of Congress. Radical Senators now here say that it will [illegible]

BALTIMORE MUNICIPAL ELECTION.—The election for members of both branches of the Baltimore city council took place on Wednesday. The whole numbdr of votes cast was about 18,900, of which about 12,000 were cast for the democratic candidates, 6,120 for the republican candidates, and 750 for the workingmen's candidates. The democratic majority over the republicans is about 5,880.

The whole number of registered voters in the city is 44,211.

FREEDOM OF RELIGION IN CUBA AND PORTO RICO.—Havana, Oct. 25.—The decree of the Constituent Cortes, establishing unrestricted liberty of religion in Cuba and Porto Rico, was to-day promulgated in this island, and has gone into effect. The document is exceedingly liberal in its terms. It declares that Spain cannot remain removed from the general movement in Europe and the world, and adds that this consideration is more powerful for the Antilles, because they lie near a continent where liberty of religion is recognized by law. One clause provides that no person shall be prevented from holding office under the government by reason of his religious belief.

The decree is received with general satisfaction by the populace. As there is now no obstacle, it is probable a Protestant church will soon be established in this city.

LARGE SALE OF REAL ESTATE.—A sale of real property belonging to the estate of the late Gov. Hammond, of South Carolina, took place at Augusta, Ga., last week. With the exception of the following, the places were all bought in by the executor. The plantations sold were Cedar Grove, 1,534 acres, to Major J. B. Cumming, of Georgia, $19,000; Silver Bluff, 1,900 acres, to Maj. Paul F. Hammond for $17,000, and Marsh Tract, 2,100 acres, to Geo. G. Chapman, Esq., of New York, for $6,500. These lands are situated mainly on the South Carolina bank of the Savannah river, and within easy access of Augusta or Savannah.

Of the almost innumerable number of preparations in the market for restoring gray hair to its original color, we know of none which gives so universal satisfaction as Ring's Vegetable Ambrosia.—We have tried it and find it to restore the color in a truly wonderful manner—as well as to remove dandruff and all itching caused by humors of the scalp.—Try it and be satisfied.

YOU ALL
HAVE HEARD OF
HOOFLAND'S GERMAN BITTERS,
AND
HOOFLAND'S GERMAN TONIC,

Prepared by Dr. C. M. Jackson, Philadelphia. Their introduction into this country from Germany occurred in
1825.
THEY CURED YOUR
FATHERS AND MOTHERS,
And will cure you and your children. They are entirely different preparations from the many called Bitters or Tonics. They are no tavern preparation, or anything like one; but good, honest, reliable medicines. They are
The greatest known remedies for
Liver Complaint,
DYSPEPSIA,
Nervous Debility,
JAUNDICE,
Diseases of the Kidneys,
ERUPTIONS OF THE SKIN,
and all Diseases arising from a Disordered Liver, Stomach, or
IMPURITY OF THE BLOOD.
Constipation, Flatulence, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the Sight, Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and Great Depression of Spirits.
All these indicate disease of the Liver or Digestive Organs, combined with impure blood.

Hoofland's German Bitters
is entirely vegetable, and contains no liquor. It is a compound of Fluid Extracts. The Roots, Herbs, and Barks from which these extracts are made are gathered in Germany. All the medicinal virtues are extracted from them by a scientific chemist. These extracts are then forwarded to this country to be used expressly for the manufacture of these Bitters. There is no alcoholic substance of any kind used in compounding the Bitters, hence it is the only Bitters that can be used in cases where alcoholic stimulants are not advisable.

Hoofland's German Tonic
is a combination of all the ingredients of the Bitters, with pure Santa Cruz Rum, Orange, etc. It is used for the same diseases as the Bitters, in cases where some pure alcoholic stimulus is required. You will bear in mind that these remedies are entirely different from any others advertised for the cure of the diseases named, these being scientific preparations of medicinal extracts, while the others are mere decoctions of rum in some form. The TONIC is decidedly one of the most pleasant and agreeable remedies ever offered to the public. Its taste is exquisite. It is a pleasure to take it, while its life-giving, exhilarating, and medicinal qualities have caused it to be known as the greatest of all tonics.

DEBILITY.
There is no medicine equal to Hoofland's German Bitters or Tonic in cases of Debility. They impart a tone and vigor to the whole system, strengthen the appetite, cause an enjoyment of the food, enable the stomach to digest it, purify the blood, give a good, sound, healthy complexion, eradicate the yellow tinge from the eye, impart a bloom to the cheeks, and change the patient from a short-breathed, emaciated, weak, and nervous invalid, to a full-faced, stout, and vigorous person.

Weak and Delicate Children are made strong by using the Bitters or Tonic. In fact, they are Family Medicines. They can be administered with perfect safety to a child three months old, the most delicate female, or a man of infirmity.
These Remedies are the best
Blood Purifiers
ever known, and will cure all diseases resulting from bad blood. Keep your blood pure; keep your Liver in order; keep your digestive organs in a sound, healthy condition, by the use of these remedies, and no disease will ever assail you. The best men in the country recommend them. If years of honest reputation go for anything you must try these preparations.

FROM HON. GEO. W. WOODWARD,
Chief Justice of the Supreme Court of Pennsylvania.
PHILADELPHIA, March 16, 1867.
I find "Hoofland's German Bitters" is not an intoxicating beverage, but is a good tonic, useful in disorders of the digestive organs, and of great benefit in cases of debility and want of nervous action, in the system.
Yours truly,
GEO. W. WOODWARD.

FROM HON. JAMES THOMPSON,
Judge of the Supreme Court of Pennsylvania.
PHILADELPHIA, April 28, 1866.
I consider "Hoofland's German Bitters" a valuable medicine in cases of attacks of Indigestion or Dyspepsia. I can certify this from my experience of it.
Yours, with respect,
JAMES THOMPSON.

FROM REV. JOSEPH H. KENNARD, D. D.,
Pastor of the Tenth Baptist Church, Philadelphia.
DR. JACKSON—DEAR SIR:—*I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that for general debility of the system and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes.*
Yours, very respectfully,
J. H. KENNARD,
Eighth, below Coates street.
