RUTH'S CHALLENGE

Soluble Phosphate!

The Most ACTIVE and DURABLE Fertilizer ever offered to the Farmer.

This article is made expressly to supply the place of A No. 1 Peruvian Guano, and will be found as active as Guano and much more durable in its effects. It is made upon the principle that the measure of our prosperity is the prosperity of the farmer, and every farmer who uses it may confidently rely upon large crops, unless injured by providential acts.

It is indeed the "CHALLENGE" Fertilizer of the times, and in order that it may always remain such we have engaged in its preparation the very best Chemical skill in this country. Give it a trial.

Messrs. O. P. Merryman & Co.,—Sirs: In answer to your inquiry, as regards the result of an application of your Raw Bone Phosphate upon my wheat crop, I will state that it gave entire satisfaction. It was used by the side of two different kinds of approved Fertilizers, which cost at least thirty-three per cent. more than yours; but throughout the entire season it was impossible to perceive the slightest difference in the wheat. Read what Dr. Larkin says:

BALTIMORE, Febuary 15, 1869
Messrs. Lieutaud & Co., Dear Sirs:—The "Antidote" which you sent me for examination, and apliction to any obstinate case of Intermittent Fever which might come under my notice, has been received. I have analyzed the contents, and after discovering the ingredients, and recognizing them as applicable to the disease in question, I determined to give it a trial. I did so, and found the therapeutic effects precisely in accordance with the character claimed for it by you; in no instance has it failed, frequently half a bottle being sufficient for the complete cure of cases of long standing; even those in which chronic enlargement of the Liver and Spleen had been superinduced. I regard it as a decidedly scientific discovery.

SHRINER'S

BALSAMIC COUGH SYRUP!

Will cure the ASTHMA, BRONCHITIS, BLOOD SPITTING, DIFFICULTY OF BREATHING, PAIN and WEAKNESS IN THE CHEST, TROUBLESOME COUGHING AT NIGHT, &c. It will effectually remove the Cough that frequently follows Measles, and any affection of the respiratory organs, no matter of how long standing, or whatever the age of the person. It acts as a specific, is purely vegetable, and is pleasant to the taste. Its effect is soothing, allaying the violence of the cough, facilitating expectoration, quieting the nerves and exhilirating the system.

Mothers, Save Your Children!

No child need die of CROUP, if this Syrup is used in time: *this is a fact demonstrated by experience.* No family should be without this Syrup, as that fatal disease, CROUP, comes like a thief in the night, to steal away your little ones, when regular medical aid cannot be obtained.
