Resolved by the Mayor and City Council of Baltimore, That the Mayor be, and he is hereby authorised to receive and accept from the proprietors of a lot of ground in this city, commencing at Callender alley and running through the centre of the square of ground formed by Pratt Street on the South, Hollins Street on the north, Parkin Street on the East, and Callender Alley on the West, to Parkin Street, parallel with Pratt and Hollins Street to be thirty feet wide which lot is to be used as a street, and to be called Lemmon Street, a deed of conveyance for the said lot of ground to this Corporation in fee simple.

And be it further Resolved, That immediately from and after the execution and delivery of said deed in manner as aforesaid, the said Street called Lemmon street, shall thenceforth and forever be deemed and taken as a public highway, and shall be subject to all the laws and ordinances relative to streets, lanes and alleys in this city applicable thereto.

And be it further Resolved, That in no event shall the city be liable for any expense appertaining to said street, or for paving the intersection of the same.

Mr Buchanan called up the resolution attached to the report of the joint committee on health, relative to the erection of a small pox hospital.

Mr Buchanan offered the following as a substitute.

Resolved by the Mayor and City Council of Baltimore, That the plan for a small pox hospital prepared by the Board of Health, and accompanying the report of said Board as plan No 1. be and the same is hereby adopted as the plan for a building to be erected on the site purchased by the city as a place for the location of a small pox hospital. And the building so constructed shall be of the following description, viz It shall be three stories high, the first and second stories to be not less than twelve feet each, the third story to be not less than eleven feet in the clear. The front building to be sixty feet long and twenty two feet deep, and the back buildings, or return wings, to be each twenty feet by thirteen feet six inches in dimension, which will give the exterior of the whole, the appearance of a building, sixty feet long and forty two deep. A portico seven feet wide to extend the entire length of the front building, and one story high. The building to be built of hard burnt brick, the outer walls of which to be all fourteen inches thickness, the inner or partition walls, and the walls of the back buildings, to be nine inches, or less, at the discretion of the Board of Health. The floors to be of yellow pine the windows and doors of the dimensions and forms named in the plan. The said building to be constructed under the direction of the Board of Health.

Resolved

Resolved That the sum of five thousand dollars, or such part thereof as may be necessary, be, and the same is hereby appropriated for the erection of said building, to be expended under the direction of the Board of Health, by and with the approbation of the Mayor.

Resolved, That it shall be the duty of the Commissioner of Health to generally superintend the erection of said building

Resolved That said building when completed shall be under the control of the Board of Health, until the next annual session of the City Council, and that said Board be and they are hereby directed to prepare a code of laws for its government, to be submitted to said next annual session of the City Council

Mr Watkins moved to lay the subject on the table, which was determined in the affirmative.

The President this day handed to the Mayor for his approval A resolution in favor of Andrew J. Jones.

On motion of Mr Walsh the Branch adjourned until tomorrow afternoon at half past 3 O'Clock

By order

Jno S. Boorman Clk.

Tuesday, April 28, 1846.

The Branch met pursuant to adjournment.

Present Jacob I. Cohen Junior Esq President, and all the members except Messrs Dutton, and Neilson.
