Mr Hack from the committee, submitted the following report, which was read a first and by special order the second time:

The joint committee on claims, to whom was referred the petition of James and Samuel Canby, asking to be returned money paid for paving Baltimore Street at its intersection with Calhoun and Republican Streets, respectfully report that they cannot recommend any favourable action on the subject. This claim was before the Council last year and rejected. It appears that the petitioners paved the streets referred to in 1836; and without going into any investigation or enquiry as to their motives for doing so, it is enough for your committee to know that the city did not receive a deed for the bed of them until they were in that condition — it being a mutual contract on the one side by the Messrs Canby to deed them already paved, without any stipulation making a reservation for the payment of the beds of said streets, and on the part of the city, to take them as they were. Your committee ask to be discharged by offering the following resolution.

William A. Hack — William Baxter
N. Hickman — B. H. Richardson
Felix McCurley — John Green Jr
First Branch — Second Branch

Resolved, That the committee be discharged from the further consideration of the subject, and the petitioners have leave to withdraw their papers.

Mr Walsh offered the following as a substitute

Resolved by the Mayor and City Council of Baltimore, That the Register of the City be, and is hereby directed to pay to James and Samuel Canby, the sum of Eighty two Dollars and Seventy two cents, out of any money in the treasury not otherwise appropriated, for paving Baltimore Street at its intersection with Calhoun Street.

On motion of Mr Collins, the resolution and substitute were laid on the table.

Mr Hack from the committee, submitted the following report, which was read the first and by special order the second time and adopted.

The joint committee on claims, to whom was referred the petition of Dr Ashton Alexander, asking to be paid expenses incurred by him in paving Goodloe Street, respectfully report, that they cannot recommend the return of the same, and therefore offer the following resolution.
