The Committee on the Port Wardens communication, made in conformity to a joint resolution of both branches of the City Council in March last, beg leave to report, that they have attentively examined the Survey No. 1, and recommend the improvement of the Cove from the North East corner of Price's Wharf running northerly with the dotted line to the letter A on the said plat, thence Easterly with the black line to B and thence as laid down to the letter J, adjoining the Sugar house wharf or to the East side of Burk Street. And hereafter all persons wishing to improve their property on said Cove have permission to extend accordingly by and with the consent of the Port Wardens, (which extensions may be made solid or by platforms or piers,

The joint Committee further report of plat No 2, that they have also attentively examined the same, and beg leave to recommend that the blue and yellow shaded lines as laid down by the Port-Wardens from black A to black G, be considered as the boundaries beyond which no extensions shall be made; but if the proprietor or proprietors of the property from black B to black C insist on extending further into the Basin than is laid down by the blue and yellow shaded straight lines on said plat, then and in that case be it expressly understood that the proprietors be strictly confined to the original grant given to Leonard Harbaugh as laid down from Red to red G.

The Committee further recommend the adoption of the Survey taken the 15th Sept. 1815 of the South side of the Basin as a continuation of plat No 2, and that the line drawn from black A to black J shall be considered in future as the same beyond which no extensions shall be made in the Basin.

The Committee further report of plat No 3, that the Port Wardens have permission to make such alterations in the Falls from Pratt Street to the Block as they may deem expedient.
