to the finishing of the work, also through the Committee to present the thanks of the Corporation to the distinguished Engineer who projected the plan of the Bridge, for the Judgement Skill ingenuity and taste ~~[illegible]~~ therein displayed, also to the celebrated Sculptor for the Skill Ingenuity and beauty exhibited in the execution of the figure and Lettering.- also to the mechanics for their Skill Ability and judgement in the precise resemblance of the work to the model, a work which may vie with any work of art in any Country. The propriety of vesting in the City Commissioners with the approbation of the Mayor the power of fixing gas lamps in the Streets lanes and alleys is suggested.-

The Town commissioners formerly exercised by the Mayor and Council at present rest it upon special applications

The Nuisance of Industry will form the subject of a seperate communication hereafter.

A revision has been made of the turnpike roads within the limits of direct taxation, according to the Ordinance and the Act of Assembly in that case provided.-

The Ordinance regulating the Sale of Cattle at the Centre Market was repealed at the last session and no other place assigned as a Market for the Sale of Cattle may be considered of public use and convenience it is submitted to the Council to make provision for establishing a Cattle market. a Lot now used for that object on the Falls, between the horse and fish markets I presume could be obtained in fee simple at a reasonable price or on a lease for a term years at a fair Rent, or a lot suitable for the purpose of the Council

before it, could no doubt be procured on the eastern boundary of the Lexington Market

The Opinion of the City Court in a case growing out of the Ordinances regulating the Markets, is herewith transmitted, that the Council may modify the Ordinance so as to correct the defect pointed out by the Court.

The Butchers Stalls in the Centre Market are not sufficient in number to supply all who sell meat. no inconvenience will result by authorizing the Clerk of the Market to rent the permanent and Extra benches to persons who sell real Mutton and Lamb by the quarter in the upper market, The number of Permanent and Extra benches in this market not rented exceed One hundred. There is a difficulty in the manner of granting licenses to dealers at it regards the term of their ending. It is suggested to the Council to make provision that all those which shall be granted hereafter shall terminate on the same given day.

a particular license for each market instead of the general license to dealers to sell in all the markets is recommended.- The regularity of the several clerks and assistants in collecting, and their punctuality in paying over the rents, has considerably improved the revenue necessary to be raised to defray the expences of the markets.- With the small sum collected and paid over for the repairs of roads and bridges without the limits of direct Taxation considerable work has been done and well finished, for the details
