A Resolution for repairing Britton Street, and

A Resolution for repairing Eutaw Street, were received from the first branch which were read and on motion laid on the Table.

The two branches met in Convention and after separating, the branch adjourned until tomorrow afternoon at half past three o'clock.

By order J. W. Belt
Clerk

Tuesday April 2nd 1833.

The branch met pursuant to adjournment, present P. Moore Esqr. President and all the Members.

The Resolution, that the City Commissioners, make certain Enquiries relative to the construction of pumps, was returned from the first branch Endorsed "concurring in," which was by order handed over to the Commissioners.

A Report & Resolution on the petition of John H. Barney and a Report & Resolution relative to additional piling at the Eastern termination of Montgomery Street were received from the first branch which were read a first and by special order the second time concurred in and returned to the first branch.

The Bill entitled an Ordinance to regulate the rising and driving of Carriages &c. was read the second time. Mr Carriage proposed the following amendments, — In the printed bill 1st Section 3rd line, strike out "or any wagon, Cart, Drayor," & after the word "Carriage" in the same line, insert or Carriages, — In the 6th line after the word "enhance", strike out the remainder of the section, —

The above amendments were concurred in and the Bill, as amended passed and returned to the first branch.

The Bill entitled an Ordinance to provide for the appointment of certain persons to represent the City in Rail Road Meetings, was read the second time & passed.

Mr Carriage moved to reconsider the above which was concurred in, and on the question being taken on its passage, it was determined in the negative and the Bill endorsed "will not pass" and Returned to the first branch.

The Bill entitled an "Ordinance to provide for opening & increasing the width of a part of Light Street," was read
