On Motion of Mr Moore the following Message was sent to the First Branch —

In Second Branch Jany 29th 1834

Gentlemen of the First Branch —

We dissent to the Resolution which originated in your branch, relating to the regrading of Hatting Street, in as much as by the act of Assembly, passed 22nd Feby 1830 giving authority to the Mayor and City Council of Baltimore, to pass such Ordinance or Ordinances, for the altering the grade of any Street, Lane or alley in the City of Baltimore, it is

is made the duty of the proprietors of the greater number of feet of ground binding or fronting on that part of the Street Lane or alley when such alteration is intended to be made, first to make an application in writing to the Mayor and City Council asking for the same — No document of that nature having been presented to the Council for their consideration, at least none having accompanied your Resolution, we are obliged to dissent therefrom. —

By order W M Belt Clerk

Mr Moore submitted the following Resolutions which were read a first and by special order the second time and concurred in —

Resolved that the Committee on Lamps be instructed to enquire into the Expediency of having three additional Lamps erected in South Charles Street between Pratt & Barre Streets

Resolved That the Committee on Streets be requested to enquire into the Expediency if any additional Ordinance or Resolution is necessary to have the foot ways on Paved Streets kept in order and for the prevention of Lumber being deposited thereon —

Resolved that the committee on Streets be requested to enquire into the expediency of having an uniform System of grading and paving footways introduced on such Streets as have, or may be repaved —

On Motion the Branch then adjourned until tomorrow afternoon

By order W M Belt Clk
