Monday April 7th 1845

The branch met pursuant to adjournment
Present Robert Howard esq President and all the members except Mr Vaughy

Mr Collins in the chair
On motion of Mr Richardson, the branch took up for consideration the bill, entitled "A supplement to an ordinance, entitled an ordinance to appoint city commissioners and prescribe their duties"
The amendment proposed by the First Branch being under consideration, on motion of Mr Richardson, the amendment was agreed to

On motion of Mr Barnes, bill No 40, entitled "An ordinance to prohibit the laying of smooth iron plates on or in the pavements," was taken up for consideration
The bill being put on its passage, will not pass
The bill was returned to the First Branch

On motion of Mr Baker bill No. 28, entitled "An additional supplement to an ordinance, entitled an ordinance to lay out a public square in the north western section of the city of Baltimore" 1839 No 97, was read the second time
Mr Howard moved to lay the bill on the table, which was agreed to

Mr Baker from the joint committee submitted the following report and resolution
The joint committee on streets, to whom was referred a resolution that the city commissioners be directed to have Lyson street filled up, from Richmond street across Lyson alley (and granville) having viewed the premises it appears that the owners of the property on said part of Lyson street are about paving the same, which in our opinion is about the best that can be done, and when done will remove all cause for complaint We therefore submit the following resolution

William Baker
John C. Stansbury

Second Branch
Joseph Brick
Cyrus Gault
Samuel Harker
First Branch

Resolved that the committee be discharged
The report and resolution were read a first, and by special order the second time, concurred in and sent to the First Branch

Mr Baker from the joint committee, submitted the following report and resolution
The committee on streets, to whom was referred the resolution for having the road leading to the Ferry bar repaired, having had the same under consideration, and believing repairs are necessary offer the following resolution

William Baker
John C. Stansbury
W. S. Wight
Committee of the Second Branch
Joseph Brick
Committee of the First Branch

Resolved by the Mayor and City Council of Baltimore, that the city commissioners be, and they are hereby directed to have the road repaired, leading to the Ferry bar, and draw on the Register of the city, for fifty dollars, or so much thereof as may be necessary, to be taken out of the appropriation for highways and bridges
The report and resolution were read a first, and by special order the second time, concurred in, and sent to the First Branch

Mr Baker from the joint committee, submitted the following report and resolution
The joint committee on streets, to whom was referred the petition of G. R. Carroll and R. S. Israel for regrading part of Green street notice that they have not complied agreeably to the ordinance passed 31st March 1830, approving the law to 114, passed 22d February 1820 authorising the regrading of streets, lanes and alleys, therefore we submit the following resolution
