On motion of Mr Richardson the following message was sent to the First Branch
Gentlemen of the First Branch
We respectfully return to you the ordinance changing the name of a portion of Madison street and ask you to reconsider and pass the same as prayed for by the petitioners, we respectfully suggest to you that inasmuch as it is a manifest inconvenience to the parties petitioning, and no possible injury to the city, or to any one else, we can conceive of no reasonable objections to granting the prayer of the petitioners, We would further call your attention to the map of the city, a single glance at which will show that that portion of Madison street east of Eutaw street, the name of which is sought to be changed, has no necessary connection with the other portion of said street, there being an abrupt turn of the street at that point and we think no one looking at the map but will see the propriety of making the desired change; we therefore ask you to reconsider and pass the ordinance, if the same shall appear to you right and proper so to do
