Mr Dukehart from the joint committee on fire companies presented the following report and resolution, which was read and laid on the table.
The joint committee on fire companies to which was referred the petition of Joseph Wilkins, asking permission to use the north wall of the building now occupied by the United Suction and Engine Hose Company, as an engine house, with an accompanying resolution of assent adopted by said fire company, respectfully beg leave to report, that in its opinion

the granting of the prayer of the petitioner cannot result in any injury to the house which is the property of the city, on the contrary it will be a benefit as the building is to be underpinned for a foundation, and an addition made to the height of the north wall equal to one story and an attic.- we therefore offer the following resolution:

First Branch
