making appropriations for the year 1849.- and we have acceded to your request relative to the 66th and 73d lines, and have receded therefrom,

By order

Jno A Thompson Clerk

Mr Shaffer called up the resolution of the joint committee on the harbor, for renting Conway street wharf.

Mr Shaffer moved to reconsider the amendment as offered by himself yesterday, which was concurred in.

Mr Shaffer offered the following as a substitue for the amendment, which was concurred in.

"From year to year to the owners of the steam boat Hugh Jenkins fifty six feet of the wharf at the foot of Conway street, south of Cambridge wharf, for a sum not less than five hundred dollars per annum payable quarterly, provided that the owners of said steamer, rent twenty six feet of the same to the bethel ship William Penn, at a rate not exceeding two hundred dollars per annum, and provided further that the said bethel ship shall be securely moored, and provided further that the privilodge hereby granted shall be withdrawn whenever the Mayor shall deem it necessary."

The resolution as amended was concurred in and returned to the First Branch,

A report and resolution of the joint committee on health, on the Mayors communication in regard to a sewer on Division street, were received from the First Branch, read a first and by special order a second time, concurred in and returned to the First Branch,

A report and resolution of the joint committee on streets on the application of William McKim and Wm A Moale, for opening of John street, were received from the First Branch, read a first and by special order a second time concurred in and returned to the First Branch.

A report and resolution of the joint committee on police, on the petition of J B Welsh and others, were received from the First Branch, read a first and by special order a second time, concurred in and returned to the First Branch.

The resolution in favor of John Mann, was returned from the First Branch, endorsed concurred in,

The resolution of the joint committee on bridges, on the petition of George H Stewart, was returned from the First Branch endorsed concurred in.

Mr Taylor from the joint committee on Bridges, presented the following report and resolution on the resolution to widen the bridge over the canal at Gough street, read a first and by special order a second time,- adopted and sent to the First Branch

The joint committee on bridges, to whom was referred the resolution directing the city commissioner to have the footways extended to the bridge over the canal at Gough street, beg leave to report, that they have examined the same, and are of the opinion it should be granted, as there is at this time several new buildings erecting on the west side of said bridge on Gough street. They therefore offer the following resolution:

Benjamin German
Moses G Hindes
Evan M Forman
First Branch

David Taylor
Second Branch

Resolved by the Mayor and City Council of Baltimore, that the city commissioner be directed to have the bridge over the canal in Gough street, extended so as to conform with the width of said street, and draw on the Register with the approbation of the Mayor, for the sum of fifty dollars, or so much as may be necessary to complete the same, to be taken out of any money in the treasury not otherwise appropriated, whenever that part of Gough street west of said canal shall be graded and paved.

Mr Kelso from the joint committee on education, presented the following report and resolution, on the petition of Wm A. Boyd, Philip C Friese and James H Cox, committee on the "Assembly rooms" which was read a first and by special order a second time, adopted and sent to the First Branch;

The joint committee on education, to which was referred a memorial from the commissioners of Public Schools asking that an examination of the building on the corner of Holiday and Fayette streets, now occupied by the Male High School and others may be made, with a view to future repairs and alterations, beg leave to report, that the day fixed for the adjournment "sine die" of the council, being so near at hand, your committee will not have sufficient time to make the proper examination and report upon the matter, They are however compensated in view of the alleged necessity for repairs and alterations in said building, for the want of opportunity to make the proposed examination, by the fact that a committee have already been appointed to examine the building in view of its appropiation
