Presented to the Mayor Feb. 12, 1873

John S. Brown
President of 1st Branch.

The Joint Committee to whom were referred the Petitions of Mary Adam, Charles Ridgely, George Prestman, and others, have had the same under their consideration, and beg leave to report and recommend as follows:

The first item of the Petitioners claim ($3.20) stated as taxes paid on property not belonging to the Petitioner, the committee think should not be refunded: it was paid through the party's own negligence and wrong, and by the carelessness of the Collectors books the paying it back at this late time would cause confusion and trouble. The other items amounting in all to ten dollars fifty four cents ($10.54) arising from direct taxes paid upon property which was not within the limit of direct taxation the committee think the claimant justly entitled to.
