An Ordinance to authorize and provide for the Sale of the Charles Street City Spring Lot.

Section 1.– Be it enacted and ordained by the Mayor and City Council of Baltimore, that the Commissioners of Finance be and they are hereby authorized and directed to offer at Public Sale, on the premises, to the highest bidder, on such day before the first day of February, A.D. 1855, as to said Commissioners may seem most expedient for the interest of the City; all that piece or parcel of ground situated and lying in the City of Baltimore, and known as the Charles Street City Spring Lot, and the privileges and appurtenances to the same belonging, leaving, however, three feet of ground on the West side of said Lot on Camden street, adjoining the property formerly belonging to Samuel House, as per agreement made by the City with said House, February thirteenth, 1830; or said Commissioners of Finance may make any other arrangement with the present owners of said property, that may be agreed by the parties; Provided they shall not pay more for the light privileges than they shall realize by the sale of the three feet of ground above named.

Section 2.– Be it enacted and ordained, that said Commissioners shall, before proceeding to offer the said property at Public Sale as aforesaid, first advertise the same three times a week, for at least two weeks, in two daily papers having the largest circulation, immediately preceding the day of Sale, and said Commissioners may sell the whole property, without subdivision, at their option; the terms on which said property is to be sold being left to the best judgement
