in proper condition; and the said Superintendents and Lamp-Lighters shall be subject to the authority of the Marshal and be subject to suspension and dismission as is herein provided concerning the Police.

Section 14. And be it further enacted and ordained, that the Marshal, with the concurrence of the Mayor, shall fix on the uniform to be worn by the Captains and Lieutenants of Police, each of whom shall procure such uniform as shall be assigned to his grade at his own expense, and shall always wear the same with his proper badge and number, when he appears in public, whether he be on duty or not; and the uniform, or external costume, for Summer wear, of the Sergeants and Policemen, shall consist of a black cap with a distinguishing number thereon, a dark blue single breasted coat, with standing collar, with a star not less than three inches in size, worked in white worsted on the outside of the left breast of the coat, in such manner and place as that it cannot be obscured by any portion of the raiment, and dark blue pantaloons, to be ~~x~~ trimmed externally as that the members of the police force may be designated with facility by all who may at any time require their services in the line of their duty; when the weather is inclement, or during the night, the said Sergeants and Policemen may wear the costume herein described for their winter dress. The winter uniform or external costume of the Sergeants and Policemen, shall consist of a black hat or cap, at the discretion of the Marshal, with a distinguishing number
