compensation for the city physician six hundred dollars.

Sec. 9. And be it enacted and ordained, That there shall be annually appointed as other city officers are, a vaccine physician for each ward, who shall be a resident of the ward for which he may be appointed, who shall vaccinate in his ward all such persons as may be pointed out to him by any member of the board of health as susceptible of small pox con=tagion, and whose duty it shall be to visit each house in his ward, and vaccinate every person who may be presented to him for that purpose, and to be prepared at his office, at such hours as may be designated by the city physician to vaccinate all who may there call on him requiring that operation, and said physician shall enter upon the performance of the duties prescribed by this section immediately after his appointment. And it shall further be the duty of the several vaccine physicians, to keep a record of the names, age and residences, of all whom they may vaccinate, and report the same monthly, under oath or affirmation, to the board of health, and to preserve, at all times during their term of office, all the pure vaccine crust which may come into their possession, and deposite it at the health office once a month carefully enveloped and marked with the date at which it was taken from the arm; and it shall further be their duty to report monthly to the board of health, the names of all persons who shall refuse to suffer themselves or members of their household to be vaccina=ted, when the same shall be necessary.

Sec. 10. Be it enacted and ordained, That said physicians shall be appointed for one year, and shall act as health wardens for their respective wards, and they shall severally receive the sum of one hundred dollars per annum in quarterly payments, after having faithfully performed the service required.

Sec. 11. Be it enacted and ordained, That as health wardens, it shall be the duty of the vaccine physicians, to have a general supervision of the health of their respective wards, exam=
