Resolution relative to the removal of certain old Pumps

Whereas there are located in different parts of the City of Baltimore a large number of old and dilapidated pumps which are of no utility whatever and which are greatly complained of by our citizens as nuisances therefore

Resolved by the Mayor and city Council of Baltimore that the Water Engineer be and he is hereby authorized to remove all pumps which upon examination may be found to be of no practical use within the limits of the City of Baltimore: Provided written consents of the owners of property and residents within the distance of one square of the pump proposed to be removed shall first give their written consent to said removal
