An ordinance to provide for the keeping and sale of Refuse Materials, being a supplement to ordinance No 9 of the Revised Ordinances of 1858.

Section 1. Be it enacted and ordained by the Mayor and City Council of Baltimore, That it shall be the further duty of the City Comptroller to take charge of and keep an account of all refuse material that may accumulate in the City Commissioners', Port Wardens' and all other departments of the city, the articles laid aside as useless at the said departments to be taken charge of and accounted for by those having supervision of the same. And it shall also be the duty of the Comptroller to dispose of at private or public sale, to the best advantage, all old metal and refuse materials of every kind, and pay the proceeds over to the City Register, specifying at the same time the articles price and to whom sold.

Section 2. And be it enacted and ordained, That the City Commissioners and Port Wardens, and all other persons having city property under their charge, shall set aside, on or before the first day of each month, such old metal and other materials as mentioned in the first section of this ordinance, and hand the same over to the Comptroller, they taking and keeping an account thereof.

Section 3. And be it enacted and ordained, That the Water Engineer shall dispose of all useless material he may have on hand, and pay the amount received to the Comptroller.

Section 4. And be it enacted and ordained, That the Comptroller be and he is hereby directed to open a separate account for this special department.
