Resolution to correct an error in the assessment of property.

Whereas, in the proceedings of the Commissioners for widening Light street, the wharf property assessed in the name of Dr. A. Dulin, was in fact condemned to the extent of 36 feet 1½ inches;

And whereas, in making up their returns the said Commissioners inadvertently stated the number of feet to be 26 feet 1½ inches, and allowed damages for that amount only, whereas, the owner of said property is entitled to damages for 36 feet 1½ inches;

And whereas, the said mistake was not discovered until after said returns had come into the hands of the City Collector, but has been since corrected by order of said Commissioners, so as to represent correctly the front condemned, and the amount of property to be awarded, therefore,

Resolved by the Mayor and City Council of Baltimore, That the said correction, made as aforesaid, be ratified and confirmed.
