Section 6. And be it further enacted and ordained, That anchorage ground No. 3 shall be within the following-described lines, viz.: A line drawn from the foot of Fell street toward the southwest corner of the bulkhead at the Chesapeake Iron Works (Canton) until it intersects a line drawn from the northeast corner of the wharf at Fort McHenry toward the Northern Central Railway Company's elevator (Canton); thence eastwardly along said last described line to a point five hundred feet west of the pier head line, as laid down on the plat accompanying this ordinance; thence northwardly, parallel to and five hundred feet west of said line, until it intersects a line drawn from the northwest corner of the Canton Copper Company's northernmost bulkhead toward the northeast corner of the Baltimore and Ohio Railroad Company's piers 6 and 7; thence southwestwardly along said last described line to its intersection with the first described line drawn from the foot of Fell street to the bulkhead at the Chesapeake Iron Company's wharf.

Description of lines of anchorage ground No. 3.

Sec. 2. And be it further enacted and ordained, That this ordinance shall take effect from the date of its passage.

Approved October 20, 1886.

JAMES HODGES, Mayor.

No. 119.

An Ordinance to provide for the construction of a section of sewer under the bed of North avenue.

Section 1. Be it enacted and ordained by the Mayor and City Council of Baltimore, That the City Commissioner be and he is hereby authorized and directed to have a section of sewer, of such dimensions and with such inlets as he may deem proper, constructed under the bed of North avenue at the intersection of said avenue with the Northeast Branch of Gwynn's Falls, together with the excavations necessary to divert the Northeast Branch of Gwynn's Run into the said sewer, and to carry off the water therefrom.

Section of sewer to be constructed under North avenue.

Sec. 2. And be it further enacted and ordained, That the City Commissioner shall be required to advertise for proposals for furnishing the necessary materials only; and that the work of laying the same shall be done under the direction and supervision of the said City Commissioner, by labor employed by the day, and paid for as other day labor employed in said City Commissioner's Department is paid.

To advertise for proposals.

Sec. 3. And be it further enacted and ordained, That the sum of five thousand dollars ($5,000), or so much thereof as may be necessary, be and the same is hereby appropriated to defray the expense of the construction of said section of sewer; to be provided for in the levy for 1887.

$5,000 appropriated.

Approved October 20, 1886.

JAMES HODGES, Mayor.
