under and across Monument street to, under and along Little Garden street, and under and along Ross street and Howard street until it shall connect with the existing drain-pipe on Howard street leading from the buildings of said Johns Hopkins University across Howard street and to Centre street; and the said University shall not be required to make any payment to the city for the privilege hereby granted, but shall do all of such work under the supervision of the Commissioner of Health and of the City Commissioner, and shall restore or re-lay any paving disturbed by such work in such manner as the City Commissioner shall approve.

Approved June 9, 1886.

JAMES HODGES, Mayor.

No. 145.

Resolution to lay drain-pipe.

Resolved by the Mayor and City Council of Baltimore, That permission be and the same is hereby granted to Mrs. Ann Durkin to lay a drain-pipe from the cellar of dwelling No. 82 South Washington street to run into the public gutter, for the purpose of draining the said cellar; said work to be done at her expense and under the supervision of the City Commissioner and Commissioner of Health.

Approved June 9, 1886.

JAMES HODGES, Mayor.

No. 146.

Resolution granting permission to the Trustees of the Third Evangelical Church to extend steps and buttresses.

Resolved by the Mayor and City Council of Baltimore, That permission be and the same is hereby granted the trustees of the Third Evangelical Church to extend the steps of their building now being constructed at the intersection of Fremont street and Edmondson avenue eight inches beyond the line prescribed by law on Edmondson avenue, and to extend two buttresses of said building, one on the corner of Fremont street and Edmondson avenue, and one on Fremont street three feet six inches beyond the building line.

Approved June 10, 1886.

JAMES HODGES, Mayor.

No. 147.

Resolution providing for an electric light on the corner of Cross street and Columbia avenue.

Resolved by the Mayor and City Council of Baltimore, that the General Superintendent of Lamps and Inspector and Sealer of Gas Meters be and he is hereby authorized and directed to have an electric light placed on the southwest corner of Cross street and Columbia avenue.

Approved June 10, 1886.

JAMES HODGES, Mayor.
