No. 139.

Resolution granting permission to State Normal School to lay a drain-pipe.

Be it resolved by the Mayor and City Council of Baltimore, That permission be and is hereby granted to State Normal School to lay a drain-pipe from the water closets of the school building westerly under the bed of the alley in the rear of said building until it intersects the Calhoun-street sewer at that point, and to tap and empty into said sewer, the same having been approved by the Health Commissioner; the expense of the same to be borne by said school, and the work of tearing up and relaying the alley to be done in a thorough and workmanlike manner, and to the satisfaction of the City Commissioner.

Approved October 14, 1887.

JAMES HODGES, *Mayor.*

No. 140.

Resolution in favor of Charles Kern.

Whereas, Mr. Charles Kern having paid to the Inspector of Buildings two hundred and forty dollars ($240) for permission to erect two bay windows on a building which he proposed to construct at the southeast corner of Fremont and South Paca streets, said permission having been granted to Charles Hilderbrandt, agent for said Charles Kern; and whereas, the said Charles Kern having abandoned the idea of constructing said building, thereby making useless the permission to construct said bay windows; therefore, be it

Resolved by the Mayor and City Council of Baltimore, That the Comptroller of the City be and he is hereby authorized and directed to draw his warrant on the City Register in favor of Charles Kern for the sum of two hundred and forty dollars ($240), said sum having been paid to the Inspector of Buildings for permission to construct two bay windows, which permission is of no use to said Charles Kern; said sum to be taken out of any money in the city treasury.

Approved October 14, 1887.
