the State of Maryland in 1888, Chapter 131, the Mayor and City Council of Baltimore were authorized to issue the bonds of the City of Baltimore to the amount of five millions of dollars, for the purpose and in the manner and on the terms therein indicated; and

Preamble.

Whereas, money is now needed for the construction of sewers, opening and widening of streets, repairing of streets, purchase and improvements of parks, and erection of school houses and bridges in the City of Baltimore; therefore,

Preamble.

$5,000,000 bonds authorized to be issued and sold from time to time, as the same may be required, by the Commissioners of Finance.

Section 1. Be it enacted and ordained by the Mayor and City Council of Baltimore, That the Commissioners of Finance be and they are hereby authorized and directed to issue the bonds of the City to the amount of five millions of dollars, from time to time, as the same may be required, for the purposes hereinafter named, and that the said bonds shall be sold by the Commissioners of Finance from time to time, and at such times as shall be requisite, and the proceeds of sale of said bonds shall be used for the purposes hereinafter mentioned, and for no other purpose whatever, that is to say: Four hundred thousand dollars, or so much thereof as may be required of the proceeds of the sale of said bonds, shall be used for paying the benefits, or so much on account of said benefits, as may be assessed to the City for the opening of what is known as Douglas street, the opening of which street is already provided for by an ordinance of the Mayor and City Council; five hundred and fifty thousand dollars, or so much there-

$400,000 to be used for opening Douglas street.

of as may be required of the proceeds of the sale of said bonds, shall be used for paying any benefits, or so much on account of any benefits that may hereafter be assessed against the City of Baltimore for widening Fayette street, between Calvert and Liberty streets, in accordance with the terms of any ordinance providing for such widening of said Fayette street, as may hereafter be passed by the Mayor and City Council of Baltimore; two hundred and fifty thousand dollars, or so much thereof as may be required of the proceeds of the sale of said bonds, shall be used for paying any benefits, or so much on account of any benefits, that may hereafter be assessed against the City of Baltimore for widening that portion of east Baltimore street, east of the bridge over Jones' Falls on Baltimore street, known as the "narrows," so as to make the said "narrows" conform in width to the average width of other parts of Baltimore street, in accordance with the terms of any ordinance providing for such widening of the "narrows" on Baltimore street, as may hereafter be passed by the Mayor and City Council of Baltimore; one million seven hundred and fifty thousand dollars of the proceeds of the sale of said bonds shall be used for the construction of such sewers as shall be directed by ordinances of the Mayor and City Council of Baltimore; four hundred thousand dollars of the proceeds of the sale of said bonds shall be used for the building of such additional school houses, including the purchase of the necessary ground for the same, as shall be directed by ordinances of the Mayor and City Council of Baltimore; one million dollars of the proceeds of the sale

$550,000 to be used for widening Fayette street, between Calvert and Liberty streets.

$250,000 to be used for widening that portion of Baltimore street east of Jones' Falls known as the "narrows."

$1,750,000 to be used for the construction of sewers.

$400,000 to be used for building additional school houses and purchasing necessary ground for the same.
