No. 105.

An ordinance to authorize the City Commissioner to grade and pave private alleys where, in the judgment of the Commissioner of Health, the preservation of the Public Health requires the same to be done.

Section 1. Be it enacted and ordained by the Mayor and City Council of Baltimore, That whenever the Commissioner of Health shall be of opinion under the provisions of Section 53, Article XXIII of the Baltimore City Code, 1879, that the public health requires the paving of any private alley, he shall issue a certificate to that effect, directed to the City Commissioner, and thereupon

the said City Commissioner shall proceed to establish the grade of said alley as in the manner pointed out for the establishment of grades of public streets in Ordinance No. 58, of the ordinances of 1888, and shall grade and pave the same in accordance with the provisions of Article XLVII, of the Baltimore City Code, 1879, so far as the same are applicable, and the cost of said grading and paving shall be assessed on and collected from the owners of the property binding thereon, in the manner provided in said Article XLVII, of the City Code of 1879, and shall be a lien on said property until paid.

To grade and pave private alleys where the preservation of public health requires the same to be done.

Approved October 9, 1888.
