No. 92.

Resolution to extend the wires of the fire alarm telegraph to No. 14 Engine House, and place gongs and fire alarm box at that point.

Resolved by the Mayor and City Council of Baltimore, That the Board of Fire Commissioners be authorized and directed to extend wires of the fire alarm telegraph to Engine House No. 14, at the intersection of Hollins and Monroe streets, and place one large gong, one small gong and fire alarm box at that point; and that the sum of four hundred dollars ($400.00), or so much thereof as may be necessary to defray cost of same, be appropriated, to be taken from any money in the City treasury.

Approved April 27, 1888.

FERDINAND C. LATROBE, Mayor.

No. 93.

Resolution to provide for certain alterations in Female Grammar School No. 18.

Resolved by the Mayor and City Council of Baltimore, That the Inspector of Buildings be and he is hereby authorized and directed to have replaced with iron ones the wooden girders now in Female Grammar School No. 18, situated on Mulberry street, near Fremont street, and that the sum of two hundred and fifty dollars ($250), or so much thereof as may be necessary, be and the same is hereby appropriated to defray the expense of the same; the said sum to be taken out of any money in the City treasury.

Approved April 27, 1888.

FERDINAND C. LATROBE, Mayor.

No. 94.

Resolution referring to Commissioner of Health and others the matter of the ventilation of public school buildings.

Whereas, The Board of Commissioners of Public Schools has informed the City Council that several of the old school houses are badly ventilated, by reason of which the health of the teachers and children is injured, and suggests that alterations be made in these houses and other methods of ventilation be introduced for the purpose of removing the existing evil; therefore, be it

Resolved by the Mayor and City Council of Baltimore, That the Inspector of Buildings, the Commissioner of Health and the President of the Board of School Commissioners be and they are hereby requested to examine the condition of said school buildings, and ascertain whether it is desirable to make the proposed alterations, and report to the City Council the results of their examination at its first meeting in September next.

Approved April 27, 1888.

FERDINAND C. LATROBE, Mayor.

No. 95.

Resolution to lay gas mains on Pierce street, from Pearl street to Pine street.

Resolved by the Mayor and City Coucil of Baltimore, That the General Superintendent of Lamps and
