ticle XLVII, Section 16, of the Baltimore City Code.

Approved June 8th, 1889.

FERDINAND C. LATROBE, Mayor.

No. 123.

An Ordinance to construct a sewer in the beds of Ensor, Chase, Valley and Eager streets.

To construct a sewer in the beds of Ensor, Chase, Valley and Eager sts.

Section 1. Be it enacted and ordained by the Mayor and City Council of Baltimore, That the City Commissioner be and he is hereby authorized and directed to have a sewer constructed according to plans and specifications submitted by him from the intersection of Biddle and Ensor streets, and to run into Ensor street to Chase street, in Chase street to Valley street, in Valley street to Eager street, in Eager street to Buren street, thence to Jones' Falls; the work to be done by mechanics and laborers employed by the day and paid as other mechanics and laborers employed by the day in said City Commissioner's department are paid.

$53,300 appropriated.

Sec. 2. And be it further enacted and ordained, That to pay the cost of the construction of said sewer the sum of fifty three thousand three hundred dollars ($53,300), or so much thereof as may be necessary, be and the same is hereby appropriated, to be taken out of the sum of one million

seven hundred and fifty thousand dollars ($1,750,000), set apart for the construction of sewers in the ordinance authorizing the issuing of five million dollars ($5,000,000), of bonds for permanent public improvements, approved September 26th, 1888, and the Commissioners of Finance are hereby directed to sell as many of said bonds as shall be required to supply the said sum of fifty-three thousand three hundred dollars ($53,300), and pay the same to the City Register, to be applied on the warrant of the City Comptroller to the purpose above named, and no other.

Commissioners of Finance to sell bonds.

Approved June 8th, 1889.

FERDINAND C. LATROBE, Mayor.

No. 124.

An Ordinance to construct an intercepting sewer in the bed of Eutaw street, from the water of the Middle Branch of the Patapsco River to Fremont street, and thence in the bed of Fremont street to Columbia avenue connecting with Chatsworth run sewer at that point.

To construct an intercepting sewer in Eutaw street and Fremont street, to connect with Chatsworth run sewer.

Be it enacted and ordained by the Mayor and City Council of Baltimore, That the City Commissioner be and he is hereby authorized and directed to construct a sewer according to the plans and specifications on file in his office, to commence at tide-water at the foot of Eutaw street, to run in Eutaw street to Fremont street, thence in Fremont street to Columbia avenue, there to connect with the present Chatsworth run sewer, and
