No. 54.

An Ordinance to repeal Sections 60, 61 and 65, and to repeal and re-enact with amendments Section 64 of Article XX, of the Baltimore City Code, title "Fire," sub-title "Storage of Oils, &c."

Repeal.

Section 1. Be it enacted and ordained by the Mayor and City Council of Baltimore, That Sections 60, 61 and 65 of Article XX of the Baltimore City Code, title "Fire," sub-title "Storage of Oils, etc.," be and the same are hereby repealed.

Sec. 2. And be it further enacted and ordained, That Section 64 of Article XX of the Baltimore City Code, title "Fire," sub-title "Storage of Oils, etc.," be and the same is hereby repealed and re-enacted with amendments, so as to read as follows:

Restrictions.

Naptha, benzine and gasoline shall not be kept on storage or for sale in quantities exceeding one barrel in any one building, and if kept in quantities less than a barrel the same shall be kept in metallic packages.

Approved April 22d, 1890.

ROBERT C. DAVIDSON, Mayor.

No. 55.

An Ordinance to construct a section of sewer in Penn street, from the intersection of Columbia avenue and Fremont street, to connect with the new sewer in Penn street, between Dover and Portland streets.

Section 1. Be it enacted and ordained by the Mayor and City Council of Baltimore, That the City Commissioner be and

he is hereby authorized and directed to construct, according to plans and specifications on file in his department, a section of sewer from the present Chatsworth Run sewer at the intersection of Fremont street and Columbia avenue to run in the bed of Penn street, as it is to be newly opened from the intersection of Fremont street and Columbia avenue to Haw street, and thence still in the bed of Penn street, as it is now opened, from Haw street north to connect with the newly-constructed portion of Chatsworth Run sewer, between Portland and Dover streets, and to connect the Fremont street sewer with the above described sewer, to raise the grade of the street at the intersection of Haw and Penn streets to suit the new sewer, and to regrade, reset the kerb, and repave Haw street east and west of Penn street, and Penn street north of Haw street, as far as may be necessary, so as to make them conform properly to the grades of the surrounding streets, the work to be done by mechanics and laborers employed by the day, and paid as other such mechanics and laborers are paid in the City Commissioner's office, "and that the City Commissioner shall, by public advertisement, inserted in the four daily newspapers in the City having the largest circulation, daily, for ten consecutive days, inviting proposals for material to be used in the construction of said sewer, said advertisements shall state the character of materials required, and the bids shall be opened in the presence of the bidders, and the contract awarded as other City contracts are awarded."

To construct a sewer.
