Sec. 2. And be it further enacted and ordained, That the City Surveyor is hereby directed to mark and designate the aforesaid Burke street as Montford avenue on all official maps and charts of streets made by him by any authority whatever.

Approved October 30th, 1891.

ROBERT C. DAVIDSON, Mayor.

No. 148.

An Ordinance governing the labor required in the construction of the bridge to be known as the North Avenue bridge.

Section 1. Be it enacted and ordained by the Mayor and City Council of Baltimore, That the Mayor and Heads of Departments under the City Government shall have inserted in the specifications governing the construction of the bridge to be known as the North Avenue bridge, as follows: That all stone work required in the construction of said bridge to be dressed either in Baltimore or vicinity; that all artisans employed in the construction of the said North Avenue bridge shall be members of *bona fide* labor organizations, provided an organization exists in the particular branch of industry in which such artisan shall be engaged; that if any person not a member of organized labor shall be employed by any contractor, the City official under whose supervision said work shall be done, upon being informed

Governing the labor required

of such employment, shall notify said contractor of such employment, and upon the refusal of the contractor to discharge said person so employed within twenty-four hours, the said contract shall be declared forfeited, and said contractor shall not receive any compensation for any work performed under said contract.

Sec. 2. And be it further enacted and ordained, That this ordinance shall take effect from the date of its passage.

Approved November 7th, 1891.

ROBERT C. DAVIDSON, Mayor.
