No. 183.

Resolution requiring the City Commissioner to demand of the Belt Railroad Company to build foot bridge across Lee street at the intersection of Howard street.

Resolved by the Mayor and City Council of Baltimore, That the City Commissioner demand forthwith of the Belt Railroad Company, or its agent, the building of a foot bridge for pedestrians across Lee street at its intersection with Howard street, as provided for in Ordinances Nos. 83 and 84, approved May 14th, 1890, as said streets are at this time in a state of nuisance, and the public is put to great annoyance and inconvenience by having to walk three or more blocks around, when said bridge might be erected for the convenience of the public, especially those who have to make such a detour to reach church as well as business.

Approved October 11th, 1892.

No. 184.

Resolution to provide for additional repairs on paved streets.

Whereas, The amount of money appropriated for the repairs of paved streets for the year 1892 has been nearly expended, and many very necessary repairs have not yet been made in various parts of the City, and from this fact it is evident that the amount so appropriated, viz: eighty thousand dollars, was totally inadequate to provide for even the very pressing and absolute repairs required; therefore

Be it resolved by the Mayor and City Council of Baltimore, That the sum of twelve thousand dollars, or so much thereof as may be necessary, be, and the same is hereby, appropriated out of any money in the City Treasury, to provide for additional and necessary repairs of paved streets, as may be determined by the City Commissioner; and

Be it further resolved, That the City Commissioner be, and he is hereby, authorized and directed to draw his warrant on the City Comptroller for the sum of twelve thousand dollars, or so much thereof as may be necessary, for the purpose of carrying out the provisions of this resolution; and

Be it further resolved, That this resolution shall take effect immediately after its adoption.

Approved October 11th, 1892.
