No. 186.

Resolution to provide for a deficiency in the fund for current expenses of the Ferry Point or Light Street bridge.

Whereas, It has been necessary to incur extraordinary expenses to increase the power and efficiency of the machinery for operating the draw-span of Light Street bridge, and to erect safety gates at each end of the said draw, and to brace and further secure the power-house on the pivot pier, amounting to the sum of two thousand dollars, more or less; and

Whereas, The said sum has of necessity been paid out of the funds for current expenses of the bridge, leaving a deficit in said fund; and

Whereas, There is not sufficient money left to pay the operating expenses for the four months, from September 1st, 1892, to January 1st, 1893; therefore

Be it resolved by the Mayor and City Council of Baltimore, That the sum of two thousand dollars, or so much thereof as may be necessary, be, and the same is hereby, appropriated to make up the deficiency occasioned by said extraordinary expenses, to be taken out of any money in the City Treasury.

Approved October 11th, 1892.
