No. 24.

An Ordinance providing for the repaving with Belgian blocks of Holliday street, from the north side of Lexington street to the north side of Pleasant street; Pleasant street, from the east side of Holliday street to the west side of Jones' falls; Hillen street, from the east side of Jones' falls to the west side of Ensor street; Forrest street, from the north side of Hillen street to Greenmount avenue, and Greenmount avenue, from Forrest street to North avenue.

To repave and rekerb.

Section 1. Be it enacted and ordained by the Mayor and City Council of Baltimore, That the City Commissioner be, and he is hereby, authorized and directed to have repaved with Belgian blocks, and the kerb reset where necessary, all that part of Holliday street, from the north side of Lexington street to the north side of Pleasant street; Pleasant street, from the east side of Holliday street to the west side of Jones' falls; Hillen street, from the east side of Jones' falls to the west side of Ensor street; Forrest street, from the north side of Hillen street to Greenmount avenue, and Greenmount avenue, from Forrest street to the south side of North avenue, except that part of the road-bed of said streets occupied by and between the railroad tracks.

To advertise for proposals for materials.

Sec. 2. Be it further enacted and ordained, That the City Commissioner be, and he is hereby, authorized and directed to advertise for ten days, in two daily newspapers published in the City of Baltimore, for proposals for materials to repave with Belgian blocks said streets, and to

rekerb with six-inch granite kerbing where necessary; and after the contract for furnishing said supplies and materials has been awarded to the lowest responsible bidder, in accordance with Ordinance No. 3, approved December 14th, 1892, entitled "An ordinance to provide for awarding contracts for municipal public work, and for furnishing the supplies to the several departments of the City Government," that the City Commissioner be, and he is hereby, authorized and directed to contract with such lowest bidder for the said supplies and materials; and that the sum of one hundred and eighty thousand dollars, or so much thereof as may be necessary, be, and is hereby, appropriated to defray the cost of the same, and that said cost be taken out of the sum of one million six hundred thousand dollars of bonds set apart for repaving streets with improved pavements in the ordinance authorizing the issue of six million dollars of bonds, approved October 7th, 1892; and the Finance Commissioners are hereby directed to sell, from time to time, as may be requisite, bonds for this purpose, and pay the proceeds to the City Register, to be applied on the warrant of the City Comptroller to the above named purpose, and to no other purpose.

$180,000 appropriated.

How work is to be done.

Sec. 3. And be it further enacted and ordained, That the work be done in a manner satisfactory to the City Commissioner, by mechanics and laborers employed by the day, and paid as other mechanics
