ing interest at the rate of six per cent. per annum, amounting to four hundred and ten thousand three hundred and fifty-three dollars and eighty-seven cents, and the consolidated loan, bearing interest at the rate of six per cent. per annum, amounting to two million two hundred and eleven thousand and sixty-eight dollars and five cents; therefore,

Authority to sell securities.

Section 1. Be it enacted and ordained by the Mayor and City Council of Baltimore, That the Commissioners of Finance are hereby authorized and directed to sell so many of the securities held by them in the general sinking fund as will produce the funds necessary to redeem the exempt six per cent. loan and the consolidated six per cent. loan, which loans mature September 1st, 1893.

City Register to give notice.

Sec. 2. And be it further enacted and ordained, That the Register of the City shall give thirty days' notice prior to September 1st, 1893, by advertisement in two or more daily newspapers published in the City of Baltimore, that he will be prepared to pay, on presentation at his office in the City Hall, on and after September 1st, 1893, the certificates, properly endorsed, of the said loans of the City of Baltimore, which will mature on September 1st, 1893, and that interest thereon shall cease from that date.

Approved April 24th, 1893.

FERDINAND C. LATROBE, Mayor.

No. 97.

An Ordinance to construct a sewer northeasterly from a point on the north side of Jones' falls, between Charles street and Maryland avenue, to the intersection of Lanvale and Charles streets, thence north in Charles street to the north side of Twenty-Third street.

To construct a sewer.

Section 1. Be it enacted and ordained by the Mayor and City Council of Baltimore, That the City Commissioner be, and he is hereby, authorized and directed to construct, according to the plans on file in his office, a sewer northeasterly from a point on the north side of Jones' falls, between Charles street and Maryland avenue, through the Pennsylvania Railroad Company's property, to the intersection of Charles and Lanvale streets, thence north in Charles street to the north side of Twenty-third street, with the necessary manholes and inlets, the work to be done by mechanics and laborers employed by the day, and paid as other mechanics and laborers employed by the day in said City Commissioner's Department are paid.

$91,800 appropriated.

Sec. 2. And be it further enacted and ordained, That the sum of ninety-one thousand and eight hundred dollars ($91,800), or so much thereof as may be necessary, be, and the same is hereby, appropriated to defray the cost of the same, to be taken out of the sum of one million dollars ($1,000,000) set apart for the construction of sewers in the ordinance providing for the issue of six million dollars ($6,000,000) of bonds for public improve-
