Powers of the Committee.

Sec. 2. And be it further enacted and ordained, That the said Building Committee shall have such powers as are conferred by this ordinance, as well as such other powers as may be conferred by any and all subsequent ordinances of the Mayor and City Council of Baltimore.

To superintend and direct the erection of the new court house.

Sec. 3. And be it further enacted and ordained, That the said Building Committee shall superintend and direct the erection and construction of said new court house, and shall determine upon the plans and specifications by and under which the said new court house shall be erected and constructed; but before such determination as to said plans and specifications, the said Building Committee shall advertise in such daily newspapers published in Baltimore City, and in the principal cities of the United States, as said committee may deem proper, inviting the submission of drawings, plans and specifications for said new court house, and in said advertisements prizes may be offered to the person or persons who shall furnish the best designs, drawings, plans and specifications for said new court house; provided, that not more than the sum of four thousand dollars ($4,000) shall be expended on such prizes; and the said committee shall select from said designs, drawings, plans and specifications furnished under said advertisement the design, plan and specification for said new court house, which, in style of architecture and utility, shall be best suited for said new court house.

Prizes to be awarded for the best designs, drawings, plans and specifications.

$4,000 to be expended on the prizes.

Sec. 4. And be it further enacted and ordained, That this ordinance shall take effect from the date of its passage.

Approved May 1st, 1893.

FERDINAND C. LATROBE, Mayor.

No. 109.

An Ordinance to authorize Charles H. Classen to construct a wooden bulkhead on his property, near the the foot of Webster street.

Be it enacted and ordained by the Mayor and City Council of Baltimore, That Charles H. Classen be, and is hereby, authorized to construct a wooden bulkhead in front of his property, near the foot of Webster street, in the Main Branch Patapsco river, as per accompanying plat; provided, that said work be done under the supervision of the Harbor Board and to its satisfaction.

Approved May 1st, 1893.

FERDINAND C. LATROBE, Mayor.
