ways, and also at an estimate of the rentals that could be derived therefrom from telegraph, telephone, electric light and other such corporations, which, under the provisions of Act of Assembly, Chapter 200, approved March 30, 1892, the Mayor and City Council have the power to compel to use such conduits and subways; and also to consider what would be a proper and reasonable charge for use of said conduits and subways, and a proper system for the collection of said rentals.

Duties.

SEC. 3. Be it enacted and ordained, That the said Electrical Commission shall have power to appoint a clerk at an annual salary of eight hundred dollars, and an electrical engineer at a salary of five hundred dollars, and such electrical experts and draughtsmen as in their judgment may be for the best interest of the work, the said experts and draughtsmen to receive such compensation as the said Electrical Commission may deem just and proper; all such salaries to be payable in equal monthly instalments, as other salaries are paid.

To appoint a clerk and an electrical engineer.

SEC. 4. Be it enacted and ordained, That the said President of the Board of Fire Commissioners be and he is hereby constituted and appointed the President of the said Electrical Commission, and as such he shall receive for his services the sum of three hundred dollars per annum, payable monthly, in addition to his compensation as President of the Board of Fire Commissioners.

President of Fire Commissioners to be president of Electrical Commission.

SEC. 5. Be it enacted and ordained, That the sum of three thousand dollars, or so much thereof as may be necessary, be and the same is hereby appropriated to carry into effect the provisions of this ordinance; the said sum to

$3,000 appropriated.

be taken out of the appropriation for ordinances and resolutions for 1895.

SEC. 6. Be it enacted and ordained, That the said Electrical Commission shall enter upon its duties upon the tenth day of June, 1895, and that it shall continue for one year until the tenth day of June, 1896, at which last named date the term of office of the said members of the Commission and all the officers thereof shall expire by limitation.

Term of office

SEC. 7. Be it enacted and ordained, That all ordinances or parts of ordinances inconsistent herewith be and the same are hereby repealed.

Approved June 12, 1895.

FERDINAND C. LATROBE, *Mayor.*

No. 108.

An Ordinance to construct a sewer in the bed of Presstman street, Addison alley and Baker street, from a point south of the south side of Presstman street, in the bed of Monroe street, to connect with the sewer at the west side of Fulton avenue and Baker street.

SECTION 1. Be it enacted and ordained by the Mayor and City Council of Baltimore, That the City Commissioner be and he is hereby authorized and directed to construct, according to the plans on file in his office, a sewer from a point in the bed of Monroe street, south of the south building line of Presstman street, north in Monroe street to Presstman street, east in Presstman street to Addison alley, north in Addison alley to Baker street, thence east in Baker street and connect with the sewer in the bed of Baker street, at the west side of Fulton avenue; the work to be done by mechanics and laborers employed by the day and paid as other mechanics and laborers employed by the day in said City Commissioner's office are paid.

To construct a sewer.
