No. 74.

An Ordinance providing against the display of any part of a museum of anatomy.

Not to expose or display any part of museum in show window.

SECTION 1. Be it enacted and ordained by the Mayor and City Council of Baltimore, That it shall not be lawful for any person to display or expose in any show window or window of any building, or in any showcase, or in any manner whatsoever, on any avenue, street, lane or alley in Baltimore City, a museum or any part of any museum of anatomy.

Penalty.

SEC. 2. And be it further enacted and ordained, That any person willfully exposing or displaying any such museum or any part of said museum of anatomy, as aforesaid, shall be deemed guilty of a misdemeanor, and upon conviction shall pay a fine of not more than twenty dollars ($20) and not less than five dollars ($5); said fines to be collected as other fines are collected.

SEC. 3. And be it further enacted and ordained, That this ordinance shall take effect from the date of its passage.

Approved May 8, 1896.

ALCAEUS HOOPER, *Mayor.*

No. 75.

An Ordinance to add an additional section to Article 23 of the Baltimore City Code of 1893, to be known as Section 164A and to come immediately after Section 164 of said Article.

Be it enacted and ordained by the Mayor and City Council of Baltimore, That an

additional section be and is hereby added to Article 23 of the Baltimore City Code of 1893, to be known as Section 164A, to come immediately after Section 164 of said article, and to read as follows:

To register name, address, age and sex of sufferers from pulmonary tuberculosis.

SECTION 164A. Be it enacted and ordained by the Mayor and City Council of Baltimore, That the Board of Health be and they are hereby directed to hereafter register the name, address, sex and age of every person suffering from pulmonary tuberculosis, so far as such information can be obtained, and that hereafter all physicians be requested to forward such information on cards ordinarily employed for the report of cases of contagious diseases, this information to be solely for the use of the Health Department; and in no case shall the Health Department assume any sanitary surveillance of such patients unless said patients reside in tenement houses, boarding houses or hotels, or unless the attending physician requests that an inspection of the premises be made; and in no case where the patient resides in a tenement house, boarding house, or hotel, shall any inspection be made if the visiting physician requests that no visits be made by inspectors and is willing himself to deliver circulars of information, or furnish such required information as is designed to prevent the communication of the disease to others.

Requirements.

Approved May 12, 1896.

ALCAEUS HOOPER, *Mayor.*
