to size, routes and number of said wires owned and operated by them, respectively, and such other data as said Electrical Commission may deem requisite) full and comprehensive plans and specifications of the work to be performed under this ordinance, and to advertise for proposals for furnishing necessary materials, the plans and specifications to be open to all bidders up to the date for opening proposals.

To advertise for proposals.

SEC. 6. And be it further ordained, That the said Electrical Commission be and it is hereby authorized and empowered to determine the amount of rental to be charged for the use of the conduits to be constructed under this ordinance, subject to the approval of the Mayor and City Council of Baltimore; and said Electrical Commission is further authorized to determine and fix the conditions, rules and regulations governing the use of said conduits, the manner of payment of rentals, etc., and, further, to prescribe such summary methods as may be deemed by the said Electrical Commission expedient or necessary for the enforcement of said conditions, rules and regulations.

Authority to determine rentals and fixconditions, rules, etc.

SEC. 7. And be it further ordained, That the said Electrical Commission be and it is hereby empowered and directed to send notices to all corporations or persons leasing space in said conduits at least ten days in advance of the time rental is due for said space so leased, and to collect said rental within ten days from the time the same is due; and the said Com-

Authority to act for rental in arrears.

mission is further directed, in event of failure of any lessee to pay his or its rental within the ten days specified, to remove all the cables or wires belonging to said lessee without notice at said lessee's expense, and require the payment of the rental in arrears by said lessee before his or its cables or wires may be replaced; provided it is deemed expedient by said Electrical Commission to reissue a permit to said lessee, and the bond as hereinafter provided for shall be liable for the expense of such removal or removals and arrearages of rent.

Proviso.

SEC. 8. And be it further ordained, That the said Electrical Commission be and it is hereby directed through its chairman to present a monthly sworn statement to the City Comptroller of all money received by said Commission from rentals, fines or other sources, and to pay over to the City Register on the first Monday of each month the moneys thus received during the preceding month.

Commission to make monthly statement.

SEC. 9. And be it further ordained, That the said Electrical Commission be and it is hereby directed to require from all corporations or persons desiring space or compelled to rent space in the said conduits a bond with good and satisfactory surety in amount equal to one hundred dollars ($100) per mile of duct rented before said corporations or persons are allowed to place any of their wires or cables in said conduits.

Corporations, etc., to give bond.
